

# The Saltire

We are Scotland, and this is our flag.  
It stands for love, and not hate,  
It stands for compassion, and not cruelty,  
It stands for tolerance and not bigotry,  
Fairness not fear, understanding not ignorance,  
It stands for equality, not injustice,  
Diversity, not division, truth and not lies,  
Most of all, it stands for friendliness  
and not for fascism,  
We are Scotland and this is OUR flag,  
and we will fight to preserve  
everything it stands for.
